UNITY AT ESF

On Wednesday, November 11 at 6:30 pm an important and timely meeting will take place in the Lawrinson Penthouse. The Student Council extends a cordial, yet urgent welcome to all members of our college community to attend this year's Open Forum. The topic of discussion will be "Unity at ESF."

We ask you for a small section of your time in one of two ways. First; plan to attend the Open Forum and be prepared to state your thoughts, problems and ideas on the subject of college unity. Second; please organize these same thoughts and ideas and let me hear them either by stopping me at school during the day, dropping me a note at Mrs. Hasenstab's office (104 Bray), Sheila O'Rourke's office (106 Bray), the Student Council Office, or my student mailbox; or give me a call at night at 428-9941. We want to hear from you!

Do you feel that you as an LA, BCE, WPE, PSE, FOR, etc., are isolated in your school? Do you know or interact socially or professionally with others in other schools? Do you know faculty and professional staff in other schools? Do you know them in your own school? How about the administrators who actually grind out the day to day logistics of our school. Do you know them? No one group - faculty, staff, students, administrators - has a monopoly on good ideas for making our school run better, fulfill its charter better, and provide continuing progress towards better services and education.

Let us integrate ourselves, schools - faculty - staff - students - administrators, our ideas, and our efforts to produce a shining example of unified strength on all fronts - academics, community service and research. We can do this. But, we've got to act now! Here is an excellent opportunity to speak your mind in a way that may truly alter the future for the better. Let me hear from you. Thanks.

POLICY AND DEADLINES

The Knothole is the student publication of the State University of New York College of Environmental Science and Forestry. It is published every Monday during the school year. The deadline for submitting pieces for publication is Friday, NOON, of the week before they are to appear. Letters to the Editor will not be printed unless they are signed. Articles must also contain the writer's name (names will be deleted on request). Letters to the Editor do not necessarily reflect the opinions of the paper's staff. We strongly encourage any counterviews, articles, notices, suggestions, or new staff members. The Knothole Staff meets in room 404 Bray Hall, every Monday at 4:30PM and every Friday at Noon. The office will be open at other times to receive input from the campus community.

LETTER TO THE EDITOR:

Dear Editors,

I am writing to you about something that has bothered me since I came here one month ago. That something is the total absence of any environmentalist group on the ESF campus. Syracuse University has their environmentalist clubs but here where we have an entire campus of environmentalists there are none.

Two events of this past year have made the need for environmental activism more important than ever. The first being the election of a man who once said that trees cause more pollution than cars, Ronald Reagan. The second being James Watt, a man who has shown a level of contempt for the environment unmatched by any of his predecessors.

We here at ESF are in the fortunate position of being able to study about matters of environmental concern as part of our professional education. We should see ourselves in the position of being in the vanguard of the environmentalist movement. It is we who should act, for that is our responsibility and our duty. We are environmentalists first then we are wildlife biologists, foresters, landscape architects, etc.

It is my hope that some will read this letter and have the courage to act and organize. The time to act is now. The ones to act must be us.

Respectfully,
John Seward

Staff NEEDED!!!!!!!!!!!!!
For the benefit of new members of the College family and as a reminder to the rest of us, please keep in mind that the City of Syracuse has a leash law in effect. Dogs should not be allowed loose on campus, nor should they be tied to trees or buildings while their owners are in class, etc. Dogs wandering on the campus will be picked up by the City Animal Control units.

No Dogs Or Bikes

With the advent of late fall inclement weather upon us, the Office of Public Safety reminds bicycle owners that bikes are not allowed in any campus building. This includes hallways, storage rooms, laboratories, studios, and offices. They present a public safety and fire hazard, and bikes found in the buildings will be removed.

Please use the bike racks only for securing your bike while on campus. The fenced, protected area beneath the steps between Bray and Walters is also available for your use. A key to the locked gate is available in Room 8 Bray.

Attention:

NEW YORK STATE ARBORISTS SCHOLARSHIP

The Board of Directors of the NYS Arborists will be awarding 2 $500 scholarships during 1982 based on the following criteria:

- Resident of the State of New York.
- Full-time undergrad student within the SUNY system in Arboriculture or a related field.
- Must be in good scholastic standing.
- If possible, some arboriculture work experience.
- Show intent to stay in arboriculture.

Scholarship can be received only once.

Additional information available at Office of Financial Aid, 111 Bray Hall.

FELLOWSHIPS - GRAD STUDENTS

The Business and Professional Women's Club of New York State is offering several fellowships of $1000 each for one academic year to women who are graduate students. Applicant must be a resident of New York State and meet other qualifications.

Additional information may be obtained from the Office of Financial Aid, 111 Bray Hall.
The Environmental Education Seminar is open to graduate and undergraduate students, faculty, and others interested in attending particular sessions. We meet in 317 Marshall Hall from 7:00 p.m. to 10:00 p.m., Wednesday evenings. I believe we have some interesting speakers lined up and encourage you to make these sessions known to all who may be interested in participating.

David L. Hanselman

Oct. 21 John Pager, Environmental Communications Specialist, Eastern Region, U.S.D.A. Forest Service. Mr. Pager is a national EE workshop leader and has contributed to the development of "process approach" EE. Mr. Pager will discuss and demonstrate the Forest Service interface with lay and professional publics.

Oct. 28 John Weeks, Director, Centers for Nature Education and Adjunct Professor ESF.

Jack Gramlich, Program Coordinator, Centers for Nature Education and President of Save The County.

Mr. Weeks will discuss the history of nature centers and the kinds of programs they generate. He will examine nature interpretation at both interpretive centers and other public facilities.

Mr. Gramlich will explore curriculum-based EE for school districts.

Nov. 4 Harrison H. Payne, Director, Central New York Chapter, The Nature Conservancy. In addition to his responsibilities as ESF Vice President for Student Affairs, Dr. Payne is active locally and nationally in interpretive and land conservancy issues. Dr. Payne will discuss the program and operations of The Nature Conservancy and will show a film depicting the acquisition of the Barrier Islands off the Virginia Coast.

Nov. 11 J. Michael Kelley, Feature writer for Syracuse Herald-Journal. Mr. Kelley is a graduate of the Newhouse (S.U.) School and has been a professional journalist since 1971. He will discuss the reporting of environmental stories and what the press needs from professional environmental scientists, planners and managers.

Nov. 18 Charles Yaple, Assistant Professor, SUNY Cortland. Mr. Yaple is finishing his doctoral study (GPES EE/C) at ESF and will report on his findings. The church is a traditional guardian of morals, values, and ethics. What influence -- positive or negative -- has the church had on American environmental attitudes and values? The question will be discussed in light of historical and contemporary trends both in the Church and the environmental movement.
Announcements

ALPHA XI SIGMA
- Call Cynthia Wood (476-3959) if you would like a leisure book purchased for the Robin Hood Book Collection.
- All students are encouraged to donate their old tests to the test file. There will be a donation box in Moon Library.
- We are attempting to organize a course selection advisory group. Anyone interested in contributing to the group may attend our next meeting on Nov. 5 at 7:00 P.M. in 321 Bray Hall.

"The Aquatic Ecologist" will be shown at our next meeting on Thurs., Oct. 22 at 8:00 P.M. in 319 Marshall. The film is only 30 minutes long. Everyone is welcome.
Recently some of the members have become a little less wet behind the ears, or more wet literally, in some cases; in terms of electroshocking and seining. A second expedition went out to Onondaga Lake on Oct. 11 and collected a few more additions for our aquarium. The tank is located in 251 Illick and anyone interested is welcome to come and take a look.
Thanks to those members who showed up on those two collecting weekends— it's good to see not everyone is afraid to get their hands dirty.
Our meetings are always open to new people in the student body so don't be afraid to stop by on Thursday.

Joann LaFlair; Sec/Tres.

CHEMISTS IN ACTION

SEMINAR: On Wednesday, October 28, at 7:30 P.M. in room 5 Illick, Dr. David Johnson will speak on "Laboratory Safety and Accident Prevention". All are invited.
NEXT GENERAL MEETING: Wednesday, October 21, 7:00 P.M. in 308 Baker. Our constitution and By-laws will be voted upon. Our annual Brewery Trip will be discussed (tentative date: Saturday, November 14). New members welcome.

Saengerbund

Guess what? We're changing our rehearsal time to Thursdays at 4:15-5:45 in Nifkin Lounge. Now all you eager vocalists who couldn't come on Tuesdays for some reason or another, here's your chance. We always welcome new people. We've recently purchased new music which we are just starting to work on now.
See all you new members and all you old familiar faces on Tuesday.

Joann LaFlair, Pres.

The Botany Club will host an excursion to the Gold Seal and Bully Hill wineries on Sat., Oct. 20. Tours of the facilities will be included with wine sampling.
A mandatory meeting for participants will be held Wed., Oct. 21 in 11 Illick at 7:00 P.M. All who plan to attend must be present or be represented by proxy for final count and details. Sign-up in Dr. Raynal's office.

M.L.P.
SAF

On Thursday, Oct. 22 at 7:30 pm in the Moon Library Conference Room, the Student chapter of the SAF will host its third speaker, Miss Karen Bartow, who will provide an insight into forest resource planning in New York. Miss Bartow worked as an intern with the NYS Dept. of Envir. Conservation and is familiar with forest planning in the state.

Congratulations to Bill Johnson, our new Secretary/Vice-Chairman, and Dan Empie, our new Council member for their election victories. We'd like to thank those people who were concerned enough to run for a position, and remind them and everyone that there are still plenty of opportunities to become actively involved with the SAF.

Also - hardhats, "Beaver" T-shirts, and 1982 calendars containing beautiful color photos of the upstate area are being sold by the chapter. Hardhats are $6.50, T-shirts are $4.25, and the calendars are $2.50. If you are interested in any of these items, contact anyone involved with the SAF.

Sincerely,
John Gifford

KΦΑ

This week was another good one for the brothers at KΦΑ. We would like to welcome our Fall 1981 pledge class: Pete Andreucci, Randy Carter, Tom Coomey, Rich Crist, Gene Langune, John Lawler and Tom Smith. Best of luck to all of them.

Congratulations is in order to Web Piersall. Wev was the recipient of the Perry Phillips Memorial Scholarship from the Anglers Association of Onondaga. Along with the honor was a check for $350.00.

The sports report is a happy one this week. KΦΑ annihilated Theta Chi 7-0 in our intermural football season opener. The key play was a touchdown pass from Mark Bagdovitz to Russ McConnell. As usual, "a good time was had by all".

Until next time,
Glenn Lindsley
Publicity Chairman
