ANNUAL FORESTERS BANQUET

The two biggest social events of the college year are the Annual Barbecue and the Annual Banquet. They hold top place because you get food as well as fun and fellowship. This year the Banquet will take place tonight, (Thurs., April 15) at 6:15 PM in the Hotel Syracuse. In addition to the food served by the waitresses, the Rev. Frank A. Reed (editor of the Northeastern Logger) will supply some food for thought. That doesn't mean his speech will be dull. It just means that it will be worth listening to as well as entertaining. The Robin Hood skit will be another welcome bit of entertainment.

For those of you who haven't gotten your ticket yet, you can pick them up at the door from Tom Schubert. See you at the Banquet.

BLOOD DRIVE

"You gave! Didn't you?"

By the time that you read this article the Blood Drive will be over for another 6 months. It is hoped that those of you who gave will suffer no ill effects from losing the pint. If you do suffer some discomfort, console yourself with the knowledge that your pint of blood may save a soldier's life in Korea (some of the graduating seniors may be thankful for it within too few months) or may be made into that new polio preventative serum - gamma globulin.

The results of the competition are not known at this time but will be published in the next issue. For those of you who have not seen the chart in Bragg rondeau, the L.E. men are leading the field with a wide margin. Second are the G.F. men, closely followed by the Frosh.

NEW PLAN DRAFTED

FOR STUDENT FEES*

Students in State University Colleges will be able to pay their fees on the installment plan under the new rules announced by President Carlson. He has authorized heads of the various colleges to collect tuition, fees, and other charges in up to six payments during the academic year.

The first installment would be paid at registration, and the others would fall due periodically, with the final payment to be made six weeks before the close of classes in the spring. No student could receive academic credit until all his college bills
The university is extending, through the balance of the present college year, a previous regulation permitting Korean War veterans to defer their payment of fees under Public Law 550.

*(The above article was taken from the March 9th issue of the State University Newsletter.)*

**ORBIS SILVA ELECTS OFFICERS**

The new officers of Orbis Silva for next year are:
- President - Robert Marks
- Vice Pres. - James Goodwin
- Sect.-Ers. - William Fessel

Goodluck man.

**SPRING HAS COME**

The snow fences have been absent for several weeks now and the grass on the lawn in front of Marshall and Bray halls is growing nicely with that new color - chlorophyll green. Let's keep it that way by not walking on it. In past years the combined efforts of many lungs served to keep the Kross Kampus Kiddies off the lawn but this year there possibly some new freshmen that don't know that we respect our campus. If so remind them - in a professional manner.

**FORESTRY DORM*-INTRAMURAL CHAMPS.**

Collendale A-l is a dormitory full of foresters only. They have just (last night) won the independent intramural volleyball championship. This is the second consecutive season that they have won.

**THE MAGIC NUMBER IS 45**
