FORESTRY FIELD DAY (Hyernk)

Only to: students who like to have some college spirit and unity, who like to meet people, do new things, and have fun.

The College of Forestry has lost possession of the intercollegiate trophy axe.

Last weekend about 19 Syracuse Foresters traveled 250 miles to Penn State to compete against three other forestry schools. West Virginia, with about one-half our college's enrollment, sent about 50 of their students some 200 miles to the meet. Mt. Alto, a branch of Penn State, and Penn State itself were also represented.

The Syracuse boys showed good spirit competing against the very highly spirited W. Virginia mountaineers.

With a few more participants, we quite possibly could have taken First place. We realize that some of the students really couldn't have made it, even if they had wanted to, but certainly at least a few more of our (about 850) students could have made it.

NOTICE

To: Secretaries of all Forestry Clubs

As soon as possible, will the secretary - or some officer - of each club kindly furnish a list of its current members to the Public Relations Office. In line with
a recent new policy, an attempt is being made to keep current the file card of each student's college activities. Since the Public Relations Card will henceforth be made a part of each student's permanent file, we need everyone's cooperation to keep our records on you complete and up to date.

Thank you, secretaries. Your assistance is greatly appreciated.

Mrs. Anderson
Public Relations Office

FORESTRY COUNCIL NEWS

Summary of April 22 Minutes, to be approved:

1. Pete Feret, President, congratulated new members and reemphasized the need for support for a successful Council year. He reminded Council members that attendance at all Council meetings is mandatory. Recorded absence from two meetings brings the name of the Council officer, class officer, or club before the Council for discussion of expulsion. Class officers and club representatives may send a proxy. Council officers may not send a proxy.

2. Student Leaders' Conference Steering Committee: Ed Hahn, Chairman; John Conklin, Paul Menge, Henry Beder, Pete Feret. Plans for the conference in the fall will be proposed before summer vacation.

3. Freshman Bulletin Committee: Tom Patrick, Chairman; Steve Shauger, Mike Hall (Zoology Club), Pete Egan (Entomology Club), Roy Sagarin (Empire Forester), John Conklin (Barbeque). The bulletin, designed to interest freshmen in the activities of the college, will contain concise descriptions about the Council, clubs, activities, and other points of interest. The mimeographed pamphlet will be ready by finals week, and will be distributed by the extension office during the summer.

4. Mike Storey is investigating the possibilities of reorganizing the Photography Club. Further plans will be announced within the next two weeks.

5. Council meetings will be held every Thursday evening at 7:00 P.M. in Room 126, Marshall, rather than on Monday afternoons.

6. Remember to check the complete Minutes of each Council meeting posted on the Students Association Bulletin Board in Marshall Hall.

NOTICE

The Downing Youth Hostel, located at 735 Beech Street, will need houseparents for the coming year. The Committee is soliciting applications for the position from couples who are interested in hosteling and who will be willing to serve for at least two years. Hopefully the husband would be sufficiently handy to do minor repairs and maintenance around the Hostel and would assist to some degree in the activities of the Hostel Club. In return for services, the housing would be furnished rent free. A job description is available in 215 Baker Lab.
