Printed below are comments from some of the candidates on their past experience and/or what they hope to accomplish in office.

**Werner Kist**
Werner L. Kist, Student Council President Nominee: I am presently the Junior Class Vice-President. This election, I will be running for the office of Student Council President.

I have served in Student Council for the past 3 years. During this time I have become well acquainted with the processes involved in student government. I have served on numerous committees and organized various activities.

I believe that I am qualified and have the needed experience to efficiently administrate the office of Student Council President. I, therefore, ask for your vote on April 9 and 10.

**George Ellis**
George Ellis, Student Council President Nominee: I am running for the office of President of the Student Association. I am a veteran who has served as Second Vice-President of the Student Association during this past semester. Although I am relatively new to student government I feel that I can successfully handle the duties of the presidency. Please take time out and vote in your elections on April 9 and 10.

**Betsy Boyce**
Betsy Boyce, Student Council Secretary Nominee: I would like to continue in Council as the secretary. Thank you!

**Chris Smith**
Chris Smith, Student Council Treasurer Nominee: I'm presently a junior running for Treasurer of the Student Council. I feel I have the necessary qualifications to fill this position. I have been treasurer for other organizations, and I feel this type of experience would help me if elected. But most important of all, I believe, is that I am willing to commit myself to put in the time to conscientiously carry out the responsibilities, and to fulfill the demands this office entails.

Please VOTE on Tuesday or Wednesday, April 9th or 10th for the Student Council and Class officers of your choice.

**Gene Piotrowski**
Gene Piotrowski, Senior Class President Nominee: Senior class president is an important office which needs a concerned, responsible person who will work hard for the class and the college. As Sec-Treas. for the class during the last 2 1/2 years I have tried to represent the class with concern and responsibility. As president of the Senior class I would promise nothing more than an attempt to make the class of '75 one which will be remembered as an active, informed group, proud to be graduates of this college.
**DAVE RAK**

Dave Rak, Senior Class Vice-President Nominee: I am running for election to the office of senior class vice-president. I entered Forestry as a transfer student last fall and would now like to become involved in the student government. I feel though my time here has been relatively short it has been constructively spent and I would like a chance to serve at this office.

**MARK KIRCHOFF**

Mark Kirchoff, Senior Class Representative Nominee: Platform—1. To participate with the Student Council and Senior class officers to advance the interests of the Senior class and the rest of the college.

2. To aid in increasing student and faculty support and participation in the various clubs and activities of the college; also to encourage more forestry related activities.

3. To increase college exposure to the community through increased publicity about ESF events, programs, and achievements.

**JAMES TURNER**

James Marvin Turner III, Junior Class President Nominee: Two year council experience. Vote.

**MARY BUTLER**

Mary Butler, Junior Class Vice-President Nominee: My goal for next year is to make our class much more active than it has been in the past. After having served on Council as a class representative last year, and as Council Second V.P. last semester, I feel I have the necessary experience to be able to achieve this goal.

Please vote!!

**CHARLENE HAMIWKA**

Charlene Hamiwka, Junior Class Secretary-Treasurer Nominee: I have been in Council for one year. I feel I can do a good job as a Junior class officer. Vote for me on April 9 and 10.

**JOE McCLUSKEY**

Joseph McCluskey, Junior Class Representative Nominee: I've decided to run for the position of Junior class representative for several reasons. One main one is that I can see the need for a change in some of the attitudes on this campus. While the hard-core stumpy image is a tradition of our campus which should be preserved, not all the students here can identify with that image. Thus, they often feel alienated and apart from the social and academic aspects of the college. I've spent two years here noticing this alienation and decided to do something about it. This I suppose could be my platform. To try to bring together, on the Student Council, the diversified opinions and feeling of our students. We range from people of such opposing areas as New York City and Paul Smiths, New York. We therefore do have a very diversified campus, and yet have great potential for a united campus. We have a great deal going for us because of our small size, and high quality facilities, teaching staff, and students. By trying to bring all this together we can improve the present excellent record of this College.

**MARY LALONDE**

Mary Lalonde, Junior Class Representative Nominee: I would like this opportunity as a representative to work for the students with the council in such areas as: improving student/council communications; unifying the council so the members can work more efficiently; seeing that the students reap more benefits from their money; trying to involve more students within the activities sponsored on campus.

**DIANE SHOEMAKER**

Diane Shoemaker, Junior Class Representative Nominee: I'm interested in council activities and I would like to represent my class.
There's a special rate most airlines don't advertise.

It's the I'm-sorry-sir-but-all-the-seats-are-taken-rate.

If you're denied a seat on a flight for which you hold a confirmed reservation, and the airline can't get you on another flight scheduled to arrive within two hours of your originally scheduled arrival, you're entitled to immediate compensation.

The airline must give you your money back and an amount equal to the value of the first flight coupon on your ticket, providing the coupon cost a minimum of $25 and a maximum of $200. In many cases that means double your money back.

Deliberate overbooking is a deceptive practice used to insure a completely booked flight. If an airline does it to you ask for immediate compensation. If they refuse ask for a written explanation. And send it to the Civil Aeronautics Board in Washington, D.C.

Remember that, next time you have a hard time getting off the ground.
